EXPERIENCE

2021 – Current
Programmer • Treyarch • Houston, TX

2018 – 2021
Site Admin • Per Sei LLC • San Diego, CA

2017 – 2018
Lead Security Analyst • Monumental Holdings • Bartouie, WS

My main responsibilities were security related. At Treyarch, I am charged with the development an anti-cheat software.

EDUCATION

KCA University, Nairobi, KE
BSc. Information Security and Forensics
Software Development

COMMUNICATION

I am a good communicator. I'm always ready to listen and give feedback whenever necessary. I am able to work very well with people as a result.

LEADERSHIP

I have good leadership skills even when I do not have much authority, I lead by example and I am very persuasive.
